**Note from Coach Herzog:**

**Summer Open-Gyms:** For all girls in Camp 1 and Camp 2, there are several open-gym opportunities throughout the summer. Players will not get better by going to camp alone. Attending open gyms allows basketball players to practice the fundamentals they learned in camp and also provides an opportunity for girls to get together and play pick-up games. My goal is to see more girls in the gym this summer! For more information on summer open-gym dates and times, go to [www.agyba.com](http://www.agyba.com)

**Registration Form Due:** June 10 (late registrations WILL be allowed, but meeting this deadline will help with planning)
